

# For incision care, **we've got you covered**

The Mölnlycke Incision Care portfolio:  
The right match for every patient

An estimated **1 in 4 patients experience a major complication**.<sup>1</sup> You need solutions you can trust for patients from low to high risk or on the margin.

## Standardize your incision care solutions with Mölnlycke

- Streamline dressing decisions
- Reinforce consistent protocols for consistent outcomes
- Promote post-op recovery
- Optimize resource usage

From our **Mepilex® Border Post-Op** family of advanced dressings, to our **Avance® Solo** closed incision negative pressure therapy system (ciNPT), we make it easy to make the right choice for each patient.

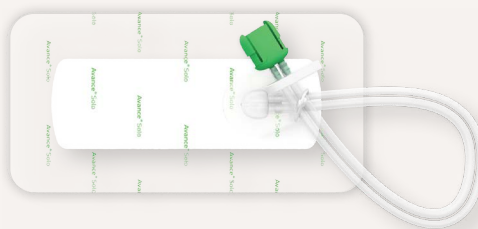

**Incision Care** Solutions

### Moderate Risk

**Mepilex® Border Post-Op Ag**

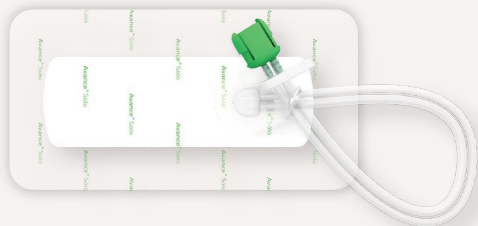

### Elevated Risk

**Mepilex® Border Post-Op Ag**

(Consider Avance® Solo for patients on the margin)

### High Risk

**Avance® Solo**

# Mölnlycke covers the full spectrum of incision care

Our **Mepilex® Border Post-Op Ag** and **Avance® Solo ciNPT** solutions are available in a range of sizes suitable for all types of surgeries.
